

# FIREWORK

#100

Music and Lyrics Katy Perry, Tor Erik Hermansen, Mikkel S Eriksen, Sandy Wilhelm, Ester Dean

Do you ever feel like a plastic bag?  
Drifting through the wind wanting to start again  
Do you ever feel, feel so paper-thin?  
Like a house of cards, one blow from caving in

Do you ever feel already buried deep?  
Six feet under, screams but no one seems to hear a thing  
Do you know that there's still a chance for you?  
'Cause there's a spark in you. You just gotta

Ignite the light and let it shine  
Just own the night like the Fourth of July

'Cause baby, you're a firework  
Come on show them what you're worth  
Make them go, "Oh, oh, oh"  
As you shoot across the sky- y- y

Baby, you're a firework  
Come on let your colours burst  
Make them go, "Oh, oh, oh"  
You're gonna leave before they know- o- o

You don't have to feel like a waste of space  
You're original, cannot be replaced  
If you only knew what the future holds  
After a hurricane comes a rainbow

Maybe the reason why all the doors are closed  
So you could open one that leads you to the perfect road  
Like a lightning bolt your heart will glow

And when it's time you know you just gotta

Ignite the light and let it shine

Just own the night like the Fourth of July

'Cause baby, you're a firework

Come on show them what you're worth

Make them go, "Oh, oh, oh"

As you shoot across the sky- y- y

Baby, you're a firework

Come on let your colours burst

Make them go, "Oh, oh, oh"

You're gonna leave before they know- o- o

Boom, boom, boom,

Even brighter than the moon, moon, moon

It's always been inside of you, you, you

And now it's time to let it through- ou- ou

'Cause baby, you're a firework

Come on show them what you're worth

Make them go, "Oh, oh, oh"

As you shoot across the sky- y- y

Baby, you're a firework

Come on let your colours burst

Make them go, "Oh, oh, oh"

You're gonna leave before they know- o- o

Boom, boom, boom,

Even brighter than the moon, moon, moon

Boom, boom, boom,

Even brighter than the moon, moon, moon
