

# HIGH

#121

Music and Lyrics Emmanuel Tunde Baiyewu, Paul John Tucker

When you're close to tears remember  
Someday it'll all be over,  
One day we're gonna get so high.

Though it's darker than December  
What's ahead is a different colour,  
One day we're gonna get so high.

**1:** At the end of the day - remember the days

**2:** When we were close to the end

**1:** Wonder how we made it through the night

**2:** The end of the day - remember the way

**1:** We stayed so close to the end

**2:** Remember, it was me and you, cause...

We are gonna be  
Forever, you and me. You will  
Always keep me flying high in the sky of love

Don't you think it's time we started  
Doing what we always wanted?  
One day we're gonna get so high.

Cause even the impossible  
Is easy when we've got each other,  
One day we're gonna get so high.

**1:** At the end of the day - remember the days

**2:** When we were close to the end

**1:** Wonder how we made it through the night

**2:** The end of the day - remember the way

**1:** We stayed so close to the end

**2:** Remember, it was me and you, cause...

**|:** We are gonna be

Forever, you and me. You will

Always keep me flying high in the sky of love **||**

High, High, High, High.

High, High, High, High.

**1:** At the end of the day - remember the days

**2:** When we were close to the end

**1:** Wonder how we made it through the night

**2:** The end of the day - remember the way

**1:** We stayed so close to the end

**2:** Remember, it was me and you, cause...

**|:** We are gonna be (We are gonna be)

Forever, you and me. You will

(Forever, high forever.

Forever. You, me forever)

(High, High, High, High) **x2**
