

WONDERFUL WORLD

#129

Music and Lyrics Lou Adler, Herb Alpert, Sam Cooke

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

Don't know much about geography
Don't know much trigonometry
Don't know much about algebra
Don't know what a slide rule is for

But I do know one and one is two
And if this one could be with you
What a wonderful world this would be

Now, I don't claim to be an A student
But I'm trying to be
For maybe by being an A student, baby
I can win your love for me

Don't know much about history
Don't know much biology
Don't know much about a science book
Don't know much about the French I took

But I do know that I love you
And I know that if you love me, too
What a wonderful world this would be

Hmm-mm (History)

Hmm-mm (Biology)

Hmm-mm (Science book)

Hmm-mm (French I took)

But I do know that I love you

And I know that if you love me, too

What a wonderful world this would be
