

HOLD ME CLOSE

#134

Music and Lyrics David Essex

Hold me close don't let me go, oh-oh no
I, Yes, I love you and I think that you know
(Do you know?)
With your love-light shining
Every cloud's got a silver lining
So, hold me close don't let me go

Hold me close don't let me go, oh-oh no
You and me, yes our love it will stop the show
(Do you know?)
With your love-light shining clearly
It's so good to have ya near me
So, hold me close don't let me go

And if that road gets weary
Oh, I lo-o-ove you
Waiting here if you need me
'Cause, I love the things that you do

So, hold me close don't let me go, oh-oh no
I, Yes, I love you and I think that you know
(Do you know?)
With your love-light shining
Every cloud's got a silver lining
So, hold me close don't let me go

[BREAK]

And if that road gets tougher
Oh, I lo-o-ove you
No, I'll never let you suffer

'Cause, I love the things that you do

**So, hold me close don't let me go, oh-oh no
You and me, yes, our love it will grow and grow
(Do you know?)
With your love-light shining
Every cloud has a silver lining
So, hold me close...**

Hold me close...

Hold me close...

...Don't let me go
