

HAPPY

#20

Music and Lyrics Pharrell Williams

It might seem crazy what I'm 'bout to say
Sunshine she's here, you can take a break
I'm a hot air balloon that could go to space
With the air, I don't care by the way

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do

Here come bad news talking this and that
Give me all you got, and don't hold back
I should probably warn you I'll be just fine
No offence to you, don't waste your time

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do

(Happy)

Bring me down. Can't nothing bring me down
Your love is too high. Bring me down
Can't nothing bring me down

(Happy, happy, happy)

Bring me down. Can't nothing bring me down
Your love is too high. Bring me down
Can't nothing bring me down

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do

(Happy)

Bring me down. Can't nothing bring me down
Your love is too high. Bring me down
Can't nothing bring me down

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do

(Because I'm happy)

Clap along if you feel like a room without a roof
Clap along if you feel like happiness is the truth
Clap along if you know what happiness is to you
Clap along if you feel like that's what you wanna do
