

RATHER BE

#34

Music and Lyrics Jack Patterson, James Napier, Nicole Marshall

We're a thousand miles from comfort, travelled land and sea
But as long as you are with me, there's no place I'd rather be
I would wait forever, exalted in the scene
As long as I am with you, my heart continues to beat

With every step we take, Kyoto to The Bay
Strolling so casually
We're different and the same, get you another name
Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shake me
When I am with you, there's no place I'd rather be
No place I'd rather be x3

Staked out on a mission to find our inner peace
Make it everlasting so nothing's incomplete
It's easy being with you, sacred simplicity
As long as we're together, there's no place I'd rather be

With every step we take, Kyoto to The Bay
Strolling so casually
We're different and the same, get you another name
Switch up the batteries

If you gave me a chance I would take it
It's a shot in the dark but I'll make it
Know with all of your heart, you can't shake me
When I am with you, there's no place I'd rather be
No place I'd rather be x3

When I am with you, there's no place I'd rather be

[BREAK]

Yeah.

If you gave me a chance I would take it

It's a shot in the dark but I'll make it

Know with all of your heart, you can't shake me

When I am with you, there's no place I'd rather be

No place I'd rather be x3

When I am with you, there's no place I'd rather be
