

I HAVE A DREAM

#39

Music and Lyrics Benny Anderson & Bjorn Ulvaeus

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I believe in angels. Something good in everything I see
I believe in angels. When I know the time is right for me
I'll cross the stream. I have a dream

I have a dream, a fantasy
To help me through reality
And my destination makes it worth the while
Pushing through the darkness still another mile
I belie-ve in angels. Something good in everything I see
I believe in angels. When I know the time is right for me
I'll cross the stream. I have a dream.
I'll cross the stream. I have a dream

I have a dream, a song to sing
To help me cope with anything
If you see the wonder of a fairy tale
You can take the future even if you fail
I belie-ve in angels. Something good in everything I see
I believe in angels. When I know the time is right for me
I'll cross the stream. I have a dream
I'll cross the stream. I have a dream
