#89

Music Walter Scharf, Lyrics Don Black

Ben, the two of us need look no more  
We both found what we were looking for  
With a friend to call my own  
I'll never be alone  
And you my friend will see  
You've got a friend in me

Ben, you're always running here and there  
You feel you're not wanted anywhere  
If you ever look behind  
And don't like what you find  
There's something you should know  
You've got a place to go

I used to say "I" and "me"  
Now it's "us", now it's "we" **STOP**  
I used to say "I" and "me"  
Now it's "us", now it's "we"

Ben, most people would turn you away  
I don't listen to a word they say  
They don't see you as I do  
I wish they would try to  
I'm sure they'd think again  
If they had a friend like Ben

(Like Ben). A friend like Ben.

(Like Ben). A friend like Ben.
